

2020 Jet Precision Aerobatics NATS

June 25-28, 2020

Mountain City, Tennessee

Practice: June 23-24 during days.

6 classes of competition:

- F3S: Flying 2020 FAI F3S P & F sequences (both).
- F3S Silver: Flying 2020 FAI F3S P sequence (only).
- Scale Jet: A center box sequence setup for the finest scale jet.
- EDF: A shortened version of the F3S sequence to work with the flight times.
- Basic: This is the entry class into Jet Aerobatics.
- Freestyle: 4-5 minute flight to music.

You can fly one or multiple classes.

However, you may not fly the Basic class and a F3S class.

ENTRY FEE: \$75.00 for all entered classes. This is paid at the event.
